The US sanctions against North Korea weren't lifted which caused suffering in the already battered North Korean population . An Emergency Cabinet Meeting is called by Japan's Prime Minister Shinzo Abe . The preliminary target estimate for the North Korean ICBM is a US Military Base in Japanese Territory . President Trump has already been informed by the Defense Secretary about the target . Japan wants to know what course of action Washington is going to take . B 52s bombers are on high alert on the tarmac in Guam , ready to take off at a moments notice . J Alert (Japan's Early Warning System) messages are sent to mobile phones in all the Japanese Prefecture where the US Military base is located . South Korea is unable to shoot down the ICBM as it is not crossing its territory . The targeted US Military base is on high alert , as are all other US Military bases in Japanese soil . Patriot missiles are ready to be launched as soon as the ICBM is within range . Through the loudspeakers in the vicinity of the US Military base the population is informed that this is not an exercise , this is the real deal . Foreign Representatives attending the G20 Summit in Japan were already informed about the impending situation . Prime Minister Abe and President Trump have less than 30 minutes to decide on the situation . Some minutes later , Patriot missiles are launched but fail to intercept the ICBM . There are some rumors going around Washington that Security Adviser John Bolton has suggested using a Trident D5 ICBM as a Bunker Buster . The logic behind the use of a Nuclear Weapon being of a way to make China's PLA back off to Chinese Territory . The Pentagon readily opposes such a tactic as there's a high probability of it back firing . The final decision on this Gamble rests on President Trump . There's been pressure from Tokyo and Seoul for a fast conclusion to Korea War 2.0 . The US Presidential Elections are in November , but if Korea War 2.0 drags beyond 4th of July , it will probably have a negative effect on President Trump's re election bid .
